

LP-330 PRO HIGH SPEED PHOTO LAMINATOR

Suitable for professional and commercial users

WE VALUE YOUR DOCUMENTS

LP-330 PRO

Suitable for heavy duty use, the LP-330 PRO high speed photo quality A3 laminator uses 4 rollers. A micro-processor constantly monitors temperature, so that no more power is used than required; whilst standby mode minimises the voltage requirement. Built using sustainable, environmentally-friendly materials, the fully certified LP-330 PRO is the best in class. Patented heating system allows constant operation, quick warm-up and excellent laminating speed.
